Nature of Complaint:

Docket No. WS-01303A-14-0010

Basic service for water and sewer is \$110.39. And with the water charges is \$184. That is outrageous. Pretty soon won't be able to afford a house because water fees. And that is without a swimming pool and minimum vegetation.

Second I get charge the same water volume for sewer even if almost half of the water goes in to landscape.

Third Epcor said that Arizona Commission dictates them to charge the community this rates because they will charge less otherwise. This are the highest rates in Arizona. If that's the case you be ashamed.

With all due respect.
